Credit Analysis / Credit Fraud Investigation

Credit Analysis - **THE MINT** can evaluate an applicant's credit worthiness in order to help client meet his/her obligations. By examining a credit report the information found on the credit report, including identifying information, credit information, public record information, and inquiries will be examined. The cost of the **Credit Analysis** is **\$35.00** which includes one (1) credit report, an account breakdown of positive and negative items on the report, suggestions for correcting errors or negative items and the available account contact information. **Credit Fraud** is an increasingly serious problem, growing almost threefold in the past five years. Illegal activities can hinder you from obtaining the credit services you need to live the "American Dream." Our motto is "*The Whole World Operates By Credit! Is Your Credit Profile Important To You?*" "Take a moment and ask yourself this question. Are you protected and do you know what to do if fraudulent activity happens to you? With the proliferation of technology hackers and thieves can use your personal information to obtain credit illegally. **THE MINT** will work with you, your creditors, the proper law enforcement agencies and the three major credit bureaus to correct illegal activity on your behalf. **Credit Fraud Investigation** is available at **\$45.00 per hour**. **Add \$4.95 Shipping / Handling fee for each order.**

Credit Report Authorization

I, _____ hereby authorize the **THE MINT** to retrieve my personal credit information and to analyze my credit worthiness. **THE MINT** is released from obligations related to the inaccurate reporting or missing data by the credit bureaus and other credit reporting entities. This document was executed this _____ day of _____ 20____. **The Credit Report is \$20.00. Add \$2.95 for Shipping / Handling fee for each order.**

THE MINT Credit Account Verification Service

This Service Must Be Requested By The Consumer

THE MINT will verify and challenge the validity of your personal accounts with the creditor and the 3 major credit bureaus. There is a **\$25.00** service fee per challenge in a 30 day reporting period. The credit bureau will have 30 days to legally respond to this inquiry or legal challenge. Consumers have the option of including a statement on their credit report to explain extraordinary circumstances about their accounts. For additional information contact the Customer Service Department. **Add \$2.95 for Shipping / Handling fee for each order.**
